

# Free Fios Home Internet is here.

Verizon is a proud partner of the Federal Communications Commission's **Affordable Connectivity Program**,\* giving eligible households fast, reliable home internet.

With Fios Forward\*\* and ACP discount.

## Everyone deserves to stay connected with ultra-fast internet.

We're keeping people connected by participating in the FCC's Affordable Connectivity Program.\* Qualifying households will be able to get a select Fios Home Internet plan for free.

## Fios Home Internet **FREE**

w/ Fios Forward\*\* + ACP discount.

- + Download and upload speeds of 300/300 Mbps
- + No annual contracts
- + No equipment charges

\* **Affordable Connectivity Program (ACP)** is a government program providing eligible households with internet service discounts. One program discount per household. Discount expires upon FCC's termination of program; then our standard rates and service terms and conditions apply.

\*\* **Fios Forward**: Limited-time offer for eligible residential customers with ACP applied to a Fios Mix & Match Internet plan. May not combine with all offers. Fios Mix & Match available in select areas. Wired speeds advertised. Wireless speeds may vary due to device limits, multiple users, network & other factors. See [verizon.com/yourspeed](https://www.verizon.com/yourspeed) for more info.
