¹ Businesses who sign up for qualifying Fios Internet and Voice bundles (VoIP or Phone) with our mid-tier or high-tier speeds with a two year agreement, in select geographic areas, will receive a Visa Prepaid Card with the value equivalent to two months of internet only service for the speed tier purchased, as follows: (i) \$198 Visa Prepaid Card for Fios 400/400 Mbps Internet; or (ii) \$498 Visa Prepaid Card for Fios up to 940/880 Mbps Internet (Gigabit Connection). Verizon Visa Prepaid Card issued by MetaBank®, Member FDIC, pursuant to a license from Visa U.S.A. Inc. Use everywhere Visa debit cards are accepted. This optional offer is not a MetaBank product or service and MetaBank neither endorses nor sponsors it. Must register for card online and keep qualifying Verizon service for 60 days from install, with no past-due balance 65 days from install. Card mailed within 90 days of install date. Limit one card per account. Other card terms and conditions apply. Offers end 9.30.22. Offer available on select IP Phones with purchase of a new Fios Internet and Business Digital Voice bundle with a two-year agreement. Fulfilled via bill credit of \$85. Taxes apply. Limit one discount per phone model. Restocking fee may apply if cancelled within 30 days. Available to select customers in select areas only.

² Offer for new and existing business customers in select areas only who sign up for both: (i) a qualifying Fios Business Internet plan & (ii) a qualifying Verizon Wireless Business Unlimited plan (eligible smartphone required, device payment purchase or bring your own). Existing customers are eligible with Fios Business Internet plan upgrade or Business Unlimited plan upgrade or a new line, as applicable. Customers with Fios Gigabit Connection (speeds up to 940/880 Mbps) and Verizon Wireless Business Unlimited Pro plan (at least 1 line) are eligible for a total credit of \$80/mo, all other combinations of service plans are eligible for a total credit of \$40/mo. Offer fulfilled as a credit of \$20/mo or \$40/mo each to your Fios and Verizon Wireless bills, for a total credit of \$40 or \$80 as applicable. Credit is fulfilled at an account level and only one Joint Offer credit per account. Discounts are applied once both plans are activated. All discounts apply as long as Verizon provides & business maintains both services at the qualifying levels. Terms and restrictions apply. May not be combined with all other offers.

³ Verizon Refer a Business program is only open to select Verizon Small Business customers. Referrer must follow specific guidelines for submitting referral. Referral must sign up for a Verizon Fios & Phone bundle or standalone Fios Internet service with a two-year agreement within 60 days of the referral to be eligible, and must keep the qualifying Verizon services in good standing for 60 days from install, with no past-due balance 65 days from install. Available to new business customers in select areas, subject to credit review. Eligible referring business and the referral will each receive a \$400 Visa Prepaid Card, which will be awarded within 90 days of install date. Recipients must register for Card online. If a referral is submitted by multiple customers or in another Verizon referral program, only the first customer to submit the referral will receive the referral bonus. Verizon reserves the right to amend or terminate this program at any time without notice.

⁴ Offer for new business customers in select areas only who sign up for qualifying internet service with a 2-year agreement (subject to credit review) and who terminated their prior internet service and incurred an early termination fee (ETF). To redeem offer, you must email documentation of the ETF from your prior service provider w/in 30 days after receipt of final bill. Offer fulfilled via a bill credit to your Verizon account in the amount of the billed ETF, up to \$1,500. Credit will be issued starting after 30 days of service, and will appear on your Verizon bill within 2-3 billing cycles. You remain solely responsible for paying the ETF to your prior service provider. Offer is non-transferable, has no cash or refund value, and may not be combined with all offers. Other terms apply. Offers end 9.30.22.

⁵ Faster Wi-Fi and increased coverage claims based on controlled environment testing using an 802.11ax compatible device with no other Wi-Fi traffic or interference present. Speed and range may vary depending on a number of factors like age/type of wireless devices used, internet service, router location, distance and interference, among other things.

⁶ Product photo may differ from actual product; however, functionality remains as stated above. Specifications are subject to change without notice.
